CATERING

You won't find catering in Atlanta that's more fun than what we do. Our catering menu, designed for 15 people or more features our most popular dishes including crawfish, seafood gumbo, alligator chili, jambalaya, etouffee, muffalettas po-boys and sandwich trays, fried seafood trays, low country boil, crawfish boil, bread pudding and more. If you'd like, we'll personalize a Cajun catering menu for you.

We can package for pick-up, delivery, delivery and set up, or we can quote a full-service catering that includes servers. We've done birthday parties, office lunches, graduations, rehearsal dinners, receptions, and, of course, Mardi Gras parties (our strong suit).

Don't forget we are the most authentic New Orleans restaurant in Atlanta. We can also put on an authentic crawfish boil or low country spread for you at your site (available seasonally). Don't have enough space? Ask about renting our place for your next party. Ask your server for more information on all Big Easy catering and we will get you a quote asap. Please allow us one week minimum to prepare most orders.

We make any party Mardi Gras!
